

## 2020-2021 SUPPLY LIST

### GAWAIN POD

This is intended to **REPLACE the supply list** you may have found on the website. These are unusual times and we have had to make changes to the way we manage supplies while still giving your student the best experience possible.

Thank you so much for your understanding!

These are the **ONLY** supplies you will need for your core classes (language arts, math, science, social studies). Elective teachers may require some items specific to their topic and they will provide that information to you directly.

Students should bring their supplies to every class meeting.
